§915.332 Florida avocado maturity regulation.

(a) No handler shall handle any variety of avocados, except Hass, Fuerte,

Zutano, and Edranol, grown in the production area unless:

(1) Any portion of the skin of the individual avocados has changed to the color normal for that fruit when mature for those varieties which normally change color to any shade of red or purple when mature, except for the Linda variety; or

(2) Such avocados meet the minimum weight or diameter requirements for the Monday nearest each date specified, through the Sunday immediately prior to the nearest Monday of the specified date in the next column, for each variety listed in the following table I: *Provided*, that avocados may not be handled prior to the earliest date specified in column A of such table for the respective variety; *Provided further*, There are no restrictions on size or weight on or after the date specified in column D; *Provided further*, That up to a total of 10 percent, by count to the individual fruit in each lot may weigh less than the minimum specified or be less than the specified diameter, except that no such avocados shall be over 2 ounces lighter than the minimum weight specified for the variety: *Provided further*, That up to double such tolerance shall be permitted for fruit in an individual container in a lot.
